

Advertising rates for new web site for 2011

The NFHR is ready to accept advertising on its new website. The following is the layout of the homepage and where the ads will sit on the pages. If you have any questions about advertising on the site please feel free to contact Jeff Pedersen at (435)590-2391

The NFHR has 2 different size and types of ads built into the website. When someone clicks on the ad it will link to your website.

Ad one is a rotating ad that changes every 3 sec. and is located near the top of the right column (See #1). There is a limit on the number of ads in this space.

Ad two is in the lower part of the center column. That one only changes when a page is refreshed and is random in how the ads are displayed.

All ads submitted are subject to review for content and suitability for the site.

Ad layout is not included in the price of the ad.
