MEMBERSHIP APPLICATION

GOALS

1. To maintain a Registry Database for Norwegian Fjord Horses to preserve their purity and original type in North America.
2. To develop educational programs that encourage versatility of the Fjord horse while maintaining humane and ethical horse management.
3. To encourage the membership to participate in accurate recording of Fjord horses including birth, death, transfers, progeny and status changes.
4. To undertake activities designed to increase public awareness of the breed and its ability to perform across the full range of equine disciplines.

I herby apply for membership in the Norwegian Fjord Horse Registry and enclose the correct fee as indicated below as my annual membership dues. I agree to follow all Rules & Regulations of the NFHR & would like to become a member of the NFHR in order to support it's goals.
