NFHR Evaluation Results - 2010

About

Bastian Vom Oderhaff scored 83/100 and earned a Canadian Red/US Blue ribbon for conformation. Breed Type is crucial for Fjords – it evaluates presence, attitude, personality, substance of bone, and gender expression (masculinity). He scored an 8.75/10. During a 2006 Fjord Horse International (FHI) Board of Directors meeting at Eike and Suzanne Schoen-Petersen's farm (Oderhaff) in Germany, Brian and Ursula Jensen took a tour and saw Bastian, a weanling who won best Fjord foal in his state in 2005. Brian Jensen, an NFHR evaluator, persuaded Eike and Suzanne to sell him. In March 2007, Bastian arrived in Canada. In 2015, Bastian was sold to Kelly White and imported to Texas, USA. Bastian is 14.1 hands, moderate build. He's a quiet, well-mannered stallion trained to drive and ride. Eva Oldenbroek-Tabor, a USDF gold medalist, trained him in dressage and he scored exceptionally well with limited showing. Bastian's disposition is unrivaled. He's sweet and trustworthy. Under saddle, he adjusts his energy to his rider's skill level. He lives in a family herd with mares and foals. His progeny are willing, curious, and friendly. They're keepers and heart horses. To meet Bastian is to fall in love with horses all over again.
