NFHR Young Stock Evaluation Results 2009

About

Standing at Starfire Farm in Colorado, LTW Prince Christian is one of only two living direct sons of Felix in the United States. Christian is a beautiful, refined, well balanced stallion that stands 14hh with 7 ½ inch cannon bone. Brown dun in color he has a lovely black stripe in his mane with clean, white hair on either side. His dun stripe is prominent and dark and he has beautiful leg striping. He was evaluated as a two year-old, receiving a 9 for his head, 8's for his neck and body and 8.5 Overall. He has a kind and sweet temperament. He is easy to ride with three good gaits. Rated First Premium in Norway in 2005, Felix was an influential sire and grand-sire of notable 1 st and 2 nd premium offspring such as Berkilid Prinsessa, Knapstadprinsen, Merinas Emil and Terne Prins. Christian's semen was recently collected and tested with very good results both for shipped-cooled and frozen semen (post-thaw results were above commercial acceptable quality). Contact Starfire Farm for breeding. Available via live cover, shipped-cooled or frozen semen.
