About

Gio was imported to the US from the Netherlands in 2020. He is approved for breeding in the Netherlands and Belgium and also has approved offspring in these countries as well as in Austria and Germany. At the evaluation in Belgium in 2016 Gio was the best stallion of the show and received an honorary medal from Fjord Horse International. In 2019, he received another honorary medal from Fjord Horse International for the best stallion in show at the evaluation in the Netherlands, where he earned his lifetime breeding license. He has achieved an AA in his riding test, with an impressive 10 for his canter and several 9s for his trot, temperament, obedience and character. Gio has awards for dressage at studbook level AND he has a jumping award at the studbook level, making him the first Dutch Fjord stallion with both awards! Gio has not only proven himself competitive within the breed, he also has an impressive show career in dressage, eventing and jumping! While jumping in Training Level (3' 3"), he has also worked his way up to be competitive in Third Level dressage! Gio truly is the definition of an all-around Fjord horse. He is a proven producer, competitor and also a family horse. Gio is available for Live Cover or AI for the 2026 Breeding season.
