### **About**

Ulend is an exceptional grey dun Norwegian Fjord Horse stallion owned by Marsha Korose and Curtis Pierce. At Fjord Horse evaluations, he has received blue ribbons for conformation and movement, and medallions for introductory and advanced riding and driving performance. Ulend stands at 14.1 hands and has enough bone and substance to weigh about 1200 pounds. Despite his big build, Ulend is very athletic and versatile with a great disposition. Ulend is an excellent producer and has sired over 26 off-spring. His foals have his substance and excellent disposition. Ulend is available for breeding to Fjord mares by live cover. Ulend's show career has included halter, dressage, driving, and draft classes. He has numerous Championship and Reserve Championships in riding, driving and farm divisions. Ulend is part of our driving pair that not only competes in Combined Driving Events but pulls wagons and carriages for the Shenandoah Carriage Company.
